BeautiControl Products Named Best of 2008

Paula Begoun, beauty expert and renowned author, named five BeautiControl products the best launched in 2008! With more than 25 years of extensive experience in the beauty industry, Paula has made several appearances on national television, including an interview on the Oprah show.

BeautiControl was the only Direct Selling Company to have five skin care products recognized by Paula and her team.

Each year, Paula and her team test hundreds and hundreds of beauty and skin care products. Of those, **five BeautiControl products made it into the Best of 2008.**
