

Regeneration Tight, Firm & Fill

Regeneration® Tight, Firm & Fill Face Creme represents the next generation of cosmetic dermal fillers for an immediate and long-lasting reduction in the appearance of wrinkles. BeautiControl's most advanced age-intervening treatment dares to do the work of expensive injections without the pain, swelling or downtime. Get yours now.

Our triple-action patent-pending peptide complex

- **TIGHT**
Immediately stimulates the epidermis to reinforce the cohesion of the dermal-epidermal junction
- **FIRM**
Peptides create an optimal environment for the skin to naturally produce collagen, the skin's building blocks of youth
- **FILL**
Instantly plumps and fills wrinkles with revolutionary Hyaluronic Filling Spheres®

The miracle

Revolutionary Hyaluronic Filling Spheres

Sphere technology works through an ingenious hydration process. Dehydrated spheres physically expand after absorbing skin's own natural moisture reserves. And hydrated spheres visibly plump wrinkles and folds. See a visible difference in just one hour and proven results in six.

THE RESULTS*	AFTER 4 WEEKS	AFTER 8 WEEKS
Visibly tighter and firmer skin	100%	100%
Increased skin elasticity and resilience	94%	100%
Improved skin radiance and luminosity	94%	100%
Improved skin hydration and suppleness	97%	97%
Fine lines appeared less visible	84%	90%

*Percent indicated is based on evaluations by clinical experts who perceived a visible difference when participants used as directed.
